Dear Dr Sooliman

Motion of Congratulations

On 16 August 2011, the National Assembly adopted a motion noting with pride the sterling work that the South African Humanitarian relief organisation, the "Gift of the Givers", has done in Somalia.

The Assembly acknowledges that the relief efforts of the team led by you have truly enhanced South Africa's image of "ubuntu" on the global stage.

The Assembly recognises the organisation's vital role in directing immediate ground support to desperate families and in ensuring public awareness of the dire situation in Somalia.

The National Assembly congratulates you and your organisation on a job well done and encourages South Africans to support all relief efforts in Somalia and elsewhere on the continent.

A copy of Minutes of Proceedings of the National Assembly dated 16 August 2011, containing the full text of the motion, is attached.

Yours faithfully

N C Mfeketo MP
Acting Speaker of the National Assembly
